

Welcome to 2015/2016 Life After School (LAS)

Dear LAS parents,

We plan to create a safe, engaging, and fun environment for your child to grow and learn. Children will participate in learning activities, art, and exciting games. We will provide a quiet atmosphere for your child to complete homework with adult mentoring.

As a site staff one of the goals is to create meaningful relationships and act as role models for your child. We will do this through positive reinforcement, life skills, and making healthy choices in their lives. Please remember to pack your child a healthy afternoon snack and just like at school all electronics should be left at home.

Registration is monthly. To avoid any late fees please register **prior** to the first day of each session. Make sure that your emergency card is filled out with anyone you would send to pick-up your child. Also inform those persons that an ID will be required to verify their identity.

Thank you for choosing LAS. We look forward to working with you and your child in this school year. Please look for a monthly calendar of events and future letters of information about the upcoming activities at Life After School.

Sincerely,

Your Site Staff
